Installation Guide

Spring Tool Suite IDE

Spring Tools 4 is the next generation of Spring tooling for your coding environment. Largely rebuilt from scratch, it provides robust support for developing Spring-based enterprise applications.

Installation Version: 4.23.1

Below are the steps to download and install Spring Tool Suite (STS):

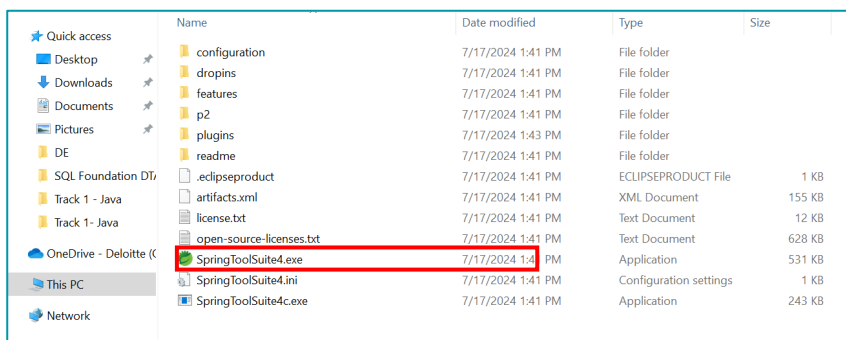

Step 1: Click the [STS IDE](#) link to navigate to the download page and select **WINDOWS X86_64**.

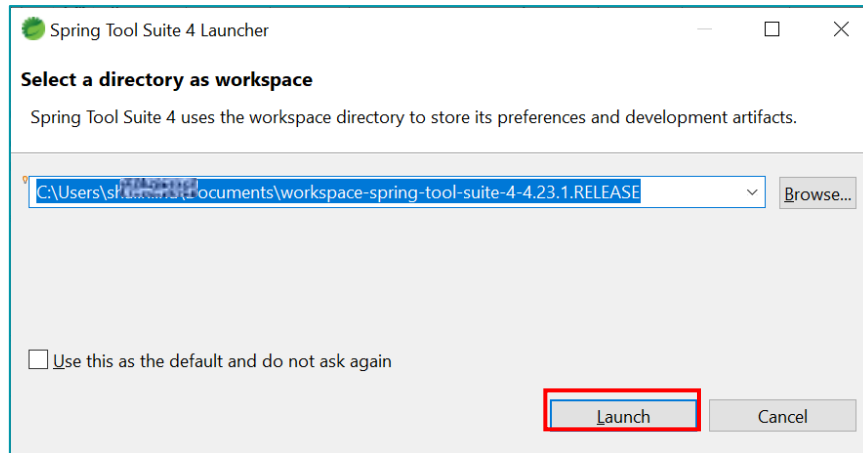

Step 2: Double-click the downloaded .jar file. The unpacking process will begin.

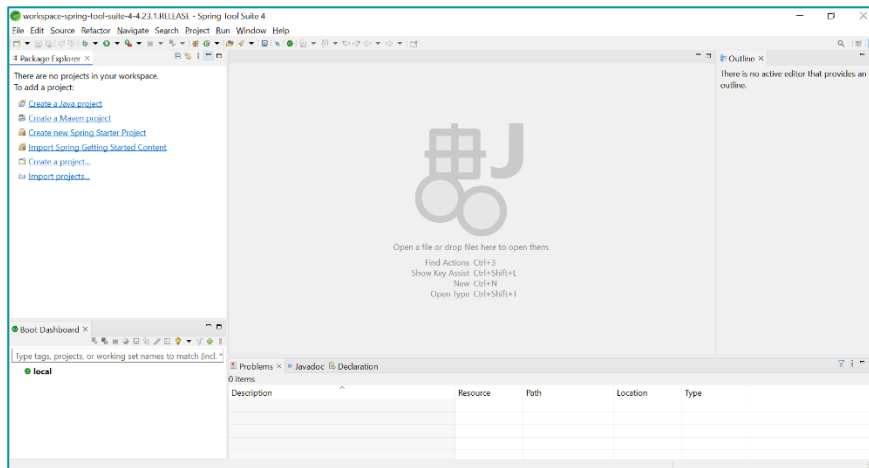

Step 3: Double-click the **SpringToolSuite4.exe** file after the extraction is complete.

Step 4: Click the **Launch** button on the **Spring Tool Suite 4 Launcher** window.

Step 5: Spring Tool Suite is successfully installed.

Note: This IDE is similar to the Eclipse Photon IDE, except that the STS IDE has built-in features to support Spring projects. In Eclipse, we need to download the plugins manually.

**About Deloitte**

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.

This communication contains general information only, and none of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms or their related entities (collectively, the "Deloitte organization") is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser.

No representations, warranties or undertakings (express or implied) are given as to the accuracy or completeness of the information in this communication, and none of DTTL, its member firms, related entities, employees or agents shall be liable or responsible for any loss or damage whatsoever arising directly or indirectly in connection with any person relying on this communication. DTTL and each of its member firms, and their related entities, are legally separate and independent entities.
