Installation Guide

Postman

Overview

Postman is a REST client used for performing backend API testing.

Installation Version: 11.4.0

Below are the steps to download and install Postman API Client:

Step 1: Click [this](#) link to navigate to the Postman site. On the following screen, click the **Windows 64-bit** button to begin the Postman client download.

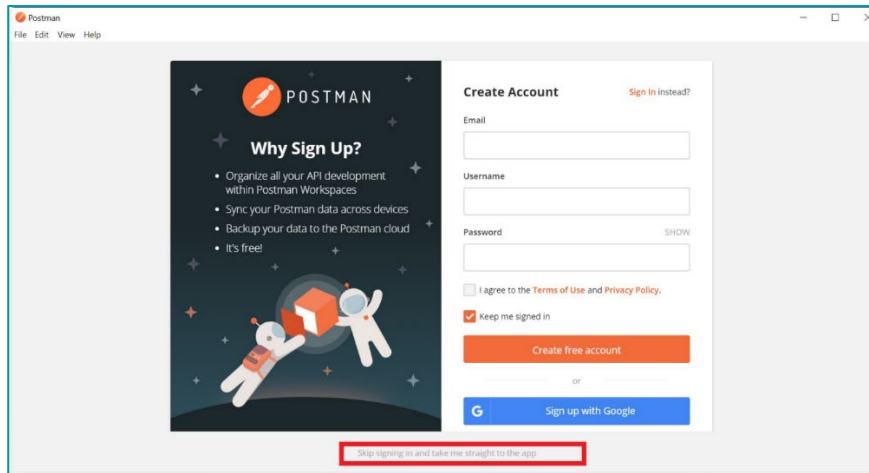

Step 2: Double-click the setup.exe file that has been downloaded.

Name	Date modified	Type	Size
▼ Today (3)			
Postman-win64-Setup.exe	7/17/2024 1:57 PM	Application	137,496 KB

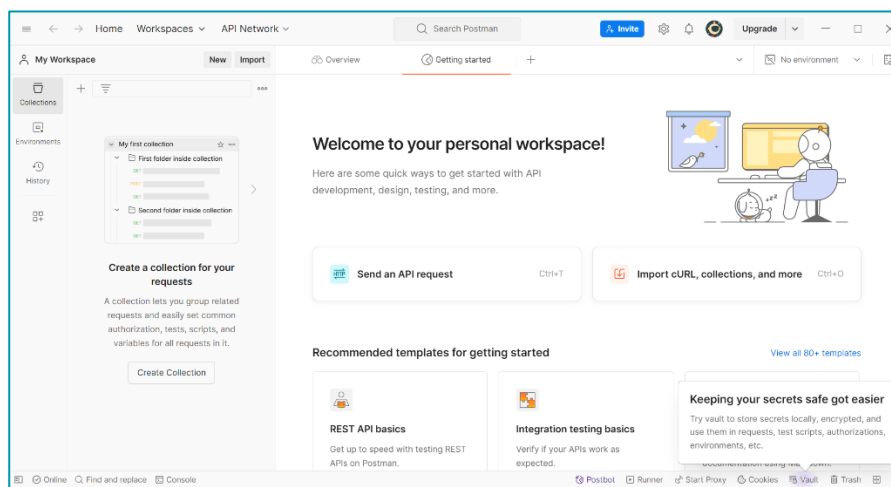

Step 3: The installation will begin.

Step 4: You will be redirected to the **Create Account** screen. **Register** yourself with valid credentials or Select the **Skip signing in and take me straight to the app** option.

Step 5: Postman is now installed successfully, and the homepage will be displayed.

**About Deloitte**

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.

This communication contains general information only, and none of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms or their related entities (collectively, the "Deloitte organization") is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser.

No representations, warranties or undertakings (express or implied) are given as to the accuracy or completeness of the information in this communication, and none of DTTL, its member firms, related entities, employees or agents shall be liable or responsible for any loss or damage whatsoever arising directly or indirectly in connection with any person relying on this communication. DTTL and each of its member firms, and their related entities, are legally separate and independent entities.
